Statewide Competitions Entry Fee

There is no charge for any statewide competition with the exception of archery. The \$200 annual fee covers all statewide events. All regional competitions are governed locally and may charge an entry fee if a majority of the schools in that region vote to do so.

Scholarship Competition

The scholarship competition is an individual event with each winner receiving a \$1,000 scholarship which can be used at any post-secondary institution within the state of Kentucky. During 2022-2023 over 100 students will receive scholarships with the same number expected in 2023-2024.

The first step in the process is to submit an application which is due by February 24th. The application is available online at the organization's website www.allaclassic.org. Immediately following the deadline, approximately 140 finalists are chosen to be interviewed on March 25th at the Perkins Building on the campus of Eastern Kentucky University. Each finalist will receive a personal invitation noting their interview time.

Golf Competition

The golf tournament is divided into regional and statewide competitions. The regional alignment is the same as the All "A" Classic basketball alignment not the KHSAA alignment. Regional competitions are managed on the local level with the top girls' and top boys' team (maximum of five players) advancing to Richmond. The top two golfers, both boys and girls, not on the winning team also qualify for the statewide competition.

The statewide competition is scheduled for September 9. Boys will play at Gibson Bay and girls at Arlington in Richmond. No travel expenses for golf are reimbursed by the All "A" Classic.

Volleyball

The volleyball competition is divided into two levels: regional and statewide. Regional tournaments are played during August and September and are controlled locally with all 16 regional champions advancing to the statewide tournament. The pool play and single elimination tournament event will be held September 15 and September 16 at Eastern Kentucky University in Richmond. The top two teams in each pool advance to the championship bracket while the third and fourth place teams in each pool advance to the consolation bracket. No travel expenses for volleyball are reimbursed by the All "A" Classic.

Soccer Competition

The soccer competition is divided into three levels: regional, sectional, and statewide. Regional tournaments are played during August and September and are controlled locally. The sectional, featuring two regional winners, is scheduled for September 16 with even-numbered regional champions hosting in 2023-2024. The single-elimination statewide tournament is scheduled for September 23 and September 24. Quarterfinal and semifinal matches are played on Saturday with both the girls' and boys' statewide championships played on Sunday. No travel expenses for soccer are reimbursed by the All "A" Classic.

Basketball Competition

The basketball competition is divided into two competitions: regional and statewide. Regional tournaments will be completed by January 20th with the winner in each region advancing to the statewide tournament. The 2023-2024 tournaments will be held from January 24 through January 28.

The winning teams in each region are provided eight rooms each night for up to four nights at an assigned hotel in the host city. Each team receives a hotel reimbursement up to \$100 per night per room for up to eight rooms each night they are housed.

Cheer Competition

The cheer competition is an in-game competition for the 32 squads whose teams advance to the statewide basketball tournament. Squads are judged during games on Wednesday and Thursday of the tournament with winners receiving awards on Friday. Squads are judged on a 90-second floor cheer and sideline cheers throughout the game. No travel expenses for cheer are reimbursed by the All "A" Classic.

Archery Competition

The coed archery competition is divided into two levels: regional and statewide. Regional tournaments should be completed by February 10th for the 2023-2024 season. Each region can have two teams of 12 archers and two top archers not on a winning team. Teams are co-ed with no limit on the number of girls or boys on a team. Teams must be KHSAA approved or certified members. Each school can enter only one team in a regional. A region without two archery teams can send one team, 12 per team, along with the top five individuals not from the winning team. In this case the region can decide if they need to conduct a regional tournament. If the region has no team entries, then the top 10 individual archers advance to the statewide tournament. The cost for each archer at the statewide tournament is \$10.00. No travel expenses for archery are reimbursed by the All "A" Classic.
