Archery Competition-2026-2027 School Year

The coed archery competition is divided into two levels: regional and statewide. Regional tournaments should be completed by February 6th for the 2026-2027 season. Each region can have two teams of 12 archers and five top archers not on a winning team. Teams are co-ed with no limit on the number of girls or boys on a team. Teams must be KHSAA approved or certified members. Each school can enter only one team in a regional. A region without two archery teams can send one team, 12 per team, along with the top eight individuals not from the winning team. In this case the region can decide if they need to conduct a regional tournament. If the region has no team entries, then the top 10 individual archers advance to the statewide tournament. The cost for each archer at the statewide tournament is \$15.00. No travel expenses for archery are reimbursed by the All "A" Classic.
