1. At the present time we have a block of 10 rooms available for your team.
2. Please submit a rooming list to the email address listed above. This list must contain the first and last name of all individuals in each room. The only room that can be listed as TBA is for the bus driver.
3. Upon receipt of an accurate rooming list, Mike Reeves will provide you with hotel choices of remaining available blocks. The hotels have provided a reduced rate for these blocks. After each school confirms their choice the assignment will be made.
4. Schools are not required to use the Kentucky All "A" Classic blocks of rooms since we do not provide reimbursement.
5. Any questions should be directed to the address above.
